THE LOCAL CHOICE FOR ATTLEBOROUGH

YOUR PRIORITIES ARE MY PRIORITIES...

Help me to protect our beautiful county for everyone to enjoy.

1

IMPROVING CAR PARKING TO STRENGTHEN ATTLEBOROUGH TOWN CENTRE

Attleborough town centre is under pressure. One reason for this is a lack of short term car parking. Together we must find ways of fixing this and stopping our town from becoming a giant park and ride! Short term parking bays may be one solution; but we also need to make a detailed plan.

2

BETTER FUNDING FOR SOCIAL CARE

With budgets under pressure and demand increasing we have to find new ways of ensuring that the most vulnerable do not lose out when it comes to social care. Working with the NHS and local councils I hope that we can deliver a better and more efficient service whilst making ends meet.

3

WORKING TO TACKLE HIGHWAY PROBLEMS

Attleborough is a growing town and traffic is major problem for us. We need the County Council to listen to our views on how to make the town better and deal with the housing growth that we are going to see. This is a very difficult issue but it will only get worse if we do not deal with it.

Remember, when local Conservatives win our whole community wins.

YOUR LOCAL CONSERVATIVE CANDIDATE FOR ATTLEBOROUGH

It was an honour to have been selected as your Conservative candidate for Attleborough and Besthorpe for the Norfolk County Council.

I am currently one of your elected district councillors and work as a supervisor at the Bank of England. Before that I graduated degrees in Physics and Law and have a number of years previous experience as a councillor in North Norfolk.

Attleborough is undergoing huge change with the housing growth that it is experiencing. This is leading to a range of problems and opportunities which we will need to meet in the next few years. As a

councillor I am most concerned with trying to tackle the major congestion issues that we face on our roads.

I am also hoping, working together with my colleagues on the town and district councils, to improve our town centre and help our businesses by tackling the issues we currently have with car parking.

Finally, areas such as health and social care are increasingly seeing changes which will affect all of us and if you choose to support me I hope to make Attleborough's voice heard in the debates to come.
