1

ROAD SAFETY AND SPEED LIMITS

The residents of Sparham suffer from excessive speeding on the A1067 Norwich to Fakenham Road which is especially bad if you are trying to use the bus stops. Working with the Parish Council, Bill has got the County Council to agree to a new 50 mph speed limit where the road goes through Sparham.

SUPPORTING LOCAL BUSINESSES

The main road through Swanton Morley was closed for road works for many weeks. Unfortunately, the diversion took all traffic away from the village shops effecting their level of trade. By discussion with the County Council, Bill was able to get the diversion altered restoring business to the shops.

WORKING WITH PARISHES AND COMMUNITIES

In 2015 Mattishall had a major developer trying to build houses on a site to the east of the village. Working with the County Council as the lead flood authority, Bill was able to show that the site was prone to flooding, which contributed to the application being turned down.

On the County Council, Bill has been voted Chairman of the Adult Social Care Committee, where no one party has a majority. He has used his skills to create consensus on the committee to make sure that the job of protecting vulnerable people across Norfolk gets done.

He is also a long serving member of Breckland Council where he is currently the Chairman of the Council.

Amongst other things he has used his term in office to support SSAFA, the Armed Forces Charity.

As an experienced Councillor he is able to use his knowledge to get answers quickly and to get to the heart of the matter on behalf of local residents, and being a local candidate he knows the area like the back of his hand.

Bill says, "The most important thing a Councillor can do is listen to the people he serves, and make sure that their interests are understood and protected by the local authority. I take this very seriously and am happy to be judged on my record".
